Subject: Rep. Joyce call with ATSDR regarding General Iron
Date: Monday, June 14, 2021 2:29:34 PM

Hi – I wanted to let you know about a conversation I had today with ATSDR. I just got off the phone with Pam Protzel-Berman, the NCEH/ATSDR Policy Office Director, and Mark Johnson in ATSDR's Chicago office. Pam will be speaking with Chris Cooper in Rep. Joyce's office later this week. I provided an overview of my call with Chris Cooper about General Iron, and we discussed how to consistently characterize the EPA-ATSDR communications about General Iron.

Please let me know if you have any questions,
